We offer 3 collections from Barcelona airport on our changeover day, included in your holiday package, and subject to availability. Spaces in the vehicles will be allocated on a first-come-first-served basis.

Meeting times: 9.30am, 1.30pm, and 5.00pm
Meeting point: Black horse sculpture, Terminal 2

Please note that if your flight arrives into Terminal 1, you will need to make your way to Terminal 2. You will need to allow 20 minutes for this.

OPTION 2: MAKING YOUR OWN WAY BY PUBLIC TRANSPORT

All public transport options go via Barcelona city centre. If you arrive early in the morning, you can leave your suitcase in a locker and explore the city for a few hours before coming our way.

Car rental

All major car rental companies operate out of Barcelona airport. Please let us know if you're planning on hiring a car, as we need to think about parking space at the house.

Driving directions:

From the A7 motorway, take exit 12 to Cardedeu and La Roca.

Follow signs to Cardedeu at each roundabout. You will pass a golf course on your right. At the first roundabout after the golf course, take the first exit (right), towards Cardedeu.

You will pass the train station on your right. After the train station, take the first left hand turn that you are able to, onto Avenida Àngel Guimerà, signposted towards Canoves.

Continue on this road until you meet a roundabout. Take the second exit at the roundabout onto the B-5108, direction Les Pungoles.

After 300m you will find the entrance of Villa Santiago to your left, on the corner with a left-hand turn. The villa has a large green gate.

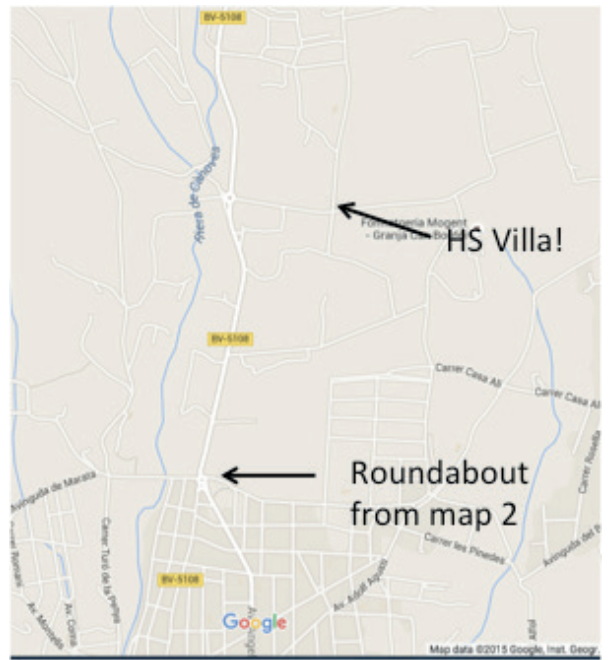

* These directions relate to travel to Barcelona airport. If you are flying into Girona airport, we will do our very best to collect you from there, but please be advised this will be on a discretionary basis. There are also public transport options / private car options from Girona airport, and we will be able to advise you on these if we cannot collect you ourselves.
